FESTIVAL DE CANNES

*Paradise, that of unspoilt, generous, and sublime Nature.
A dreamlike and fertile place, a realm of possibilities
and my inspiration for this year's Red Carpet.*

*Pass through the gates and enter a bountiful Garden
of Eden, where precious stones are picked like berries,
where plants and animals offer their songs and
spectacular colours. Luscious fruit trees in a rainbow flower
meadow and a glistening cascade enchant the senses.
To the night garden, alive with glowing fireflies
and an endless starry sky.*

*A heaven of marvels, comes alive with dazzling creations
and I look forward to sharing this enchanting walk through
Paradise and all its jewelled beauties with you.*

*With much love,
Caroline*

L.U.C timepieces are the result of intricate and highly skilled work by our «Artisans of Emotion». Fine mechanical watchmaking is based on ancestral crafts which Chopard proudly perpetuates since 1860.

The Gentleman's Way

With passion we design, conceive and manufacture outstanding watches for the discerning modern gentleman. Every L.U.C piece is a combination of innovation and tradition representing our perpetual quest for perfection.
